PRESIDENT'S CORNER:

July is Here!

Time is sure going fast. Because of wet field & wind conditions, it just made sense to cancel the June fly-in. This is the 1st time since the club has been at Wellnetz field that a complete fly-in has been cancelled. I know that many pilots & spectators were disappointed.

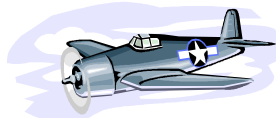

Our next project is the Fond du Lac County Fair and this year the club has really lucked out. We have Saturday, July 24th with Ted Nugent. If the Weather is good, this could be the club's best-ever fair night. We will need all the help we can get to handle the crowd. Anyone not knowing where to go can meet me at the field that Saturday afternoon by 5 PM and follow me there.

The club meeting will be Tuesday, July 13, 7 PM at the field. Come to my shop if it's raining.

There are many of our neighboring clubs that are having fly-ins this time of the year. Visit them if you can & help support them.

Also there are a few members that have not paid there dues for the 2010 season. You are not allowed to use the field if you are not a 2010 paid member.

Happy flying! --Dave

JUNE FUN-FLY:**It was cancelled ☹️**

Our apologies to everyone who had hoped to attend the June Fun-Fly. The decision had to be made on Friday in order to cancel everything that we could. This allowed us time to notify everyone and minimize the financial loss and disappointment from canceling the event.

The decision was made to cancel on Friday morning because the field had standing water and additional heavy rain was forecast for Friday night. The high winds forecast for Saturday were also a factor in the decision.

We expected the field to be under water on Saturday and anticipated heavy damage to the parking lot from the cars if we held the event.

We hated to cancel, but the best decision was made based on the information available at the time.

MEMBERSHIP DUES:

Membership dues are due by the April meeting. Our bylaws state that members not paying by July 1st will have their membership suspended.

This is very important that the club receive the dues and proof of AMA membership for insurance purposes.

Applications, dues, and photocopies of your AMA card can be brought to the next meeting or sent to the treasurer:

RULE REMINDER:**TRAFFIC PATTERN—**

A normal, rectangular (or oval), traffic pattern shall be flown if more than one plane is in the air, unless ALL flying pilots agree otherwise.

**FAIR NIGHT:**

Saturday, July 24th is the FDLAA's night to serve beverages at the Fond du Lac County Fair.

The Fair organizers have recognized our ability to keep up with demand, even at the busiest times. They have rewarded us by giving us the best night for the gig once again.

This is a great fundraiser for the club and is one of the things that helps keep our dues low. It's a busy four hours, but it's also a lot of fun.

Meet at the Fairground's main stage South concession stand around 5 PM. (The show is Ted Nugent!)

NEXT MEETING:

Our next meeting will be Tuesday, July 13, 7:00 PM at the Field.

Rain location is Dave's shop.
