PRESIDENT'S CORNER: Summer is Gone!

It seems like yesterday that we were talking about finally getting flying weather and it's already gone. A good example of that was on the day we were supposed to have the Club Picnic.

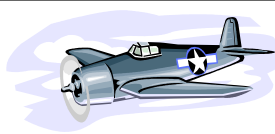

It was cold and very windy, and it was decided to cancel it. It wouldn't have been much fun in that condition. At the October meeting we will decide when to reschedule. Also there are a number of very important issues to take care of.

I did get a bid on tiling the field and we need to hear what the Warbird committee has worked out. It is also time for nomination of Officers & Board members to take your Club into the 2011 year. As you can see, this is a very important meeting to attend.

The meeting will be held at my shop on Tuesday, October 12, at 7:00 PM. The address is 708 S. Pioneer Road in Fond du Lac. Remember to bring a folding chair. Also watch the newsletter for info on upcoming Swap meets in our area.

Thanks! --Dave

WARBIRD WRAPUP:

Our 2010 Warbirds and Classics over the Midwest was a resounding success, even with the wind damage we experienced Friday night.

The Fond du Lac aeromodelers would like to thank everyone who has made this a world-class event.

Thanks to our pilots, our sponsors, and to all the volunteers who make it all possible.

CLUB LOGO:

We are considering a change to our Club logo.

The reason for this is that our current logo is clip-art that can (and is) being used by other organizations. As our club gets more attention, especially through our Warbirds event, we would like to have something unique.

Please bring any ideas or sketches for logos that you might have to our September meeting. Ideas will be submitted and discussed.

Remember: A good logo should be recognizable, look good when printed small, and look good in Black & White.

CLEAN OUT YOUR CLOSET:

If you've got something to sell, let the editor know. We also have a "wanted" area to list things you're looking for. Please get your listings to the newsletter editor (editor@fdlaa.com / 920-907-6159). Include a description, asking price, and contact information.

Requests received by the end of the month will be included in the next newsletter.

NOTE: You must renew your listing each month with the editor. -Thanks!

NEXT MEETING:
