

Fond Du Lac Aeromodelers Association

Our goal is to be the friendliest club for pilots and spectators in the Midwest. We welcome anyone with an interest in R/C aviation. Visit the website at www.FDLAA.com for information about membership, upcoming events, flight instructors, and weather conditions at the field. FDLAA meetings are held on the second Tuesday of each month at 6:00 pm (April through November).

NEW YEAR'S DAY FLY-IN

Some club members gathered for a New Year's Day flying session at the field. Thanks goes out to Clyde Denzer for the following photos from the day. Looks like fun! I had prepared my SIG Cub for the fly-in, skis and all, but had a cold and could not attend.

As a side note, please make sure the gas heater in the clubhouse is turned off before leaving the field for the day. One of the members found the gas heater on when they arrived.
