

Fond Du Lac Aeromodelers Association

Our goal is to be the friendliest club for pilots and spectators in the Midwest. We welcome anyone with an interest in R/C aviation. Visit the website at www.FDLAA.com for information about membership, upcoming events, flight instructors, and weather conditions at the field. Club meetings are called monthly (April to November) and announced by e-mail to current members.

A MESSAGE FROM THE EDITOR

Hi Everyone,

It's that time of year again as we get ready for the annual Warbirds and Classics Over the Midwest. Volunteer sign up is available on the club website. Please make sure to sign up on the website because it makes scheduling and tracking of volunteer hours much easier. After logging into the website, click on WARBIRD LABOR SIGNUP on the left side of the page. This will bring up the schedule, and then all you need to do is click on any available white box that you would like to volunteer for. Click on Save Changes at the bottom after that, and you're done!

Also, keep an eye out for emails from Dave for news or updates about the event. With this being the 20th annual Warbirds event, we can make it the best one ever.

Happy flying,
Jeff Bergen
